# ABOUT THE PROJECT

Project is about the youth ability to think critically about their surroundings. We will be discussing about the role of youth participation and volunteering as a way to being active and make an impact in our daily life.

Project will be focused on IT skills too- in sense of us the digital tool in proper way.

Workshops will be conducted with a use of non-formal education by the facilitator of the FEIS Foundation.

## u Tośki Pension

- pension located in mountains,
- double or triple rooms,
- close to the woods and nature
- cuisine based on polish traditional cuisine,
- diets available on request only for typical ones (please inform us about this **BEFORE THE PROJECT**)
- Murzasichle is located close to the heart of Polish Mountains - Zakopane. The Town of Zakopane offers many entertainment options and is a great place to chill. During the exchange we will organize the excursion to Zakopane city center too.
